Dear Allen:

As I believe you know, this Commission expects to send a staff member to Europe in the near future to review some of your installations there.

It would be much appreciated if the Central Intelligence Agency would assist this Commission in providing our representative with whatever support may be necessary to accomplish the mission. Any direct expenditures made on our behalf will be reimbursed by us.

Colonel Herman O. Lane is to be our representative on this trip and he will contact your Liaison Officer with the Intelligence Activities Task Force in order to develop further details.

Yours very sincerely,
